

Ref. 95/SNC/PG Minor Subject Selection/2022-23

Date: 19-10-2022

Notice Regarding Minor Subject Selection at PG level

The students admitted in various PG courses of the College are required to choose, as per the provisions of NEP-2020, one Minor subject from other faculty closely associated with their own faculty. They are instructed to select their Minor subjects keeping in mind, particularly, subject/timetable clashes. They are hereby further informed that their Minor subjects have not been provided officially at the time of admission. They will be prompted to choose their Minor subjects at the time of filling up semester-end examination forms. The HODs of various departments are instructed to select one easiest paper of their subject/department, subject/course to be provided to the students opting the minor subject. Their classes are also required to be arranged and the record of their class attendance is also required to be maintained separately like regular student.
